Z1 Flexible Solution

14, Floor 3th, Street 349, Phnom Penh

Dear Madam / Sir,

I am a student at PNC and I study in Web Programming. I have known this information from my teacher that your company need a Web Developer. I am so interested to applying this position in your company. I want to improve my skill and learn a new in Web Programming.

With my homework and my project in HTML, CSS, PYTHON, I have improved a lot on my IT skills as HTML, CSS, PYTHON and I have learnt from my soft skill such as communicate, teamwork, leadership, problem solving, time and task management.

Beside homework and my project from my teacher, I have joined a lot of workshops of communication, teamwork, project management that provided by PNC's partner or outside company. Because it can bring me a confident person who can have a good communication with other people around me, can manage the time and task and solve the problem by myself.

From my education and experience background, I believed that I can have a possible to work in this position. For more information, please contact me by phone number and email address above. Thank you for your time and consideration. I am looking forward to hearing from you soon.

Best regard

SREYKA THOR
